City of South Milwaukee - Block Party Permit Application

Private (non-commercial) events in residential neighborhoods

Block Party permits are issued to residents of the City of South Milwaukee who would like to barricade a local residential street they live on for a neighborhood event – main thoroughfares are not closed for block parties.

Planning a block party is a big job and requires the support of all those who reside on the block that will be closed. On the back of this application is a neighborhood notification and approval form. All applicants must complete the notification form.

The Block Party applicant must reside on the block and is responsible for the event – including: 1) Setup and take-down of the barricades**; 2) Cleanup of the public-right-of-way following the event; AND 3) Maintaining a clear lane for emergency vehicles.

** Barricades provided by SM Street Dept. for daytime events. Flashing barricades must be supplied by applicant for after dark.

NOTE: Block parties are not permitted where there is not an alternative route for access to a connecting neighborhood, bus routes or truck routes, collector street or main thoroughfares. Contact Engineering Dept. if there are questions on street classification.

APPLICATIONS SHOULD BE SUBMITTED 30 DAYS PRIOR TO THE EVENT. This will allow enough time for the review and approval process by the City, Street Department and the South Milwaukee Police Department.

Completed applications must be submitted to the City Administration office at 2424 15th Avenue, South Milwaukee, WI 53172.
